

## NOTICE TO ALL CLUB RUGBY SPECTATORS

### CODE OF CONDUCT

The KwaZulu-Natal Rugby Union, together with affiliated Clubs, request that at all times spectators accord the referee, touch judges and players the respect they deserve.

This notice is directed at those spectators who from time to time shout abuse at match officials and players. Encourage by all means, but refrain from condemning - they are all doing their best out on the field.

Foul language, verbal abuse or racial abuse of any kind does not have a place in our game. Action may be taken against offenders.

We thank you for your support.
